

## Connected 3D

Genesis 11:1-4

How has technology changed your life?

- We \_\_\_\_\_ Of All Creation  
(Gen. 1:27-8)

- Don't Be A \_\_\_\_\_ (Gen. 10-11)

Next Steps:

- ☐ New Wallpaper?
- ☐ Limit Tech Time?
- ☐

## Life Group Discussion

### Ice Breaker

- Pull out your phones and check how much time you spent on your phone this week. What apps get the most time?
- When do you use those apps? Why?

### Digging In

- How has technology changed your life? Good? Bad?
- What are some tech things you wish you did not have? Why?
- What are some tech things you wish you had right now that you do not? Why?
- What is some technology that you use today that you cannot live without? Why?

### Making It Personal

- Read Genesis 1:27-8. In verse 28, we are commanded to govern & steward all of creation. What does this mean to you?
- In Genesis 3:1-7 we are reminded that we are tempted “to be like God”. What areas of life do you struggle with being the steward and not owner? (Finances? Work? Relationships? Tech? Time?)
- What has the tendency to “own” you? (Addicted/Worry)
- How would seeing what “owns” you as something to be steward, release you (or bring freedom)?
