## Life Group Discussion

### Ice Breaker

- Do you have any stories about driving you want to tell?
- How did that event change your driving habits?

### Digging In

- How easy is it to become complacent when driving?
- What else do you do when driving?
- In your faith journey, how have you become lazy at times?  
How have you corrected the course?
- Was there a Lane Assist? A Rumble Strip? A guard rail? A ditch? That woke you up from your slumber? Explain.
- Looking at Matthew 7:13-14. Why is one road wider and easier to travel than the other?
- What are the parts of the faith journey that are difficult? Why?

### Making It Personal

- Is there anything in your path that you know needs to be brought to light for a safer journey?
- Where have you allowed yourself to get lazy?
- Are you a driver who can train other drivers?
